---

As the City-County Director of Planning, I am formally submitting to you the proposed *Year 2025 Comprehensive Plan* for the City of Lincoln and Lancaster County. The Plan is intended as the starting point for the Commission's deliberations on a new long range plan for the city and county. The Plan should be used as the basis for the upcoming public hearings the Commission has scheduled for March 13<sup>th</sup> and 27<sup>th</sup>.

The Planning Commission has already been provided with a copy of the proposed *Year 2025 Comprehensive Plan* document, dated February 6, 2002. This memorandum supplements that distribution with the following items:

- City-County Planning Department Staff Report (Including Recommended Action)
- Comments and Plan Amendment Requests from the City Public Works and Utilities Department, City Urban Development Department, City Parks and Recreation Department, and Lincoln City Libraries
- Comments and Plan Amendment Requests from the Metropolitan Planning Organization (MPO) Technical Committee

If you have questions concerning the attached materials or other aspects of the proposed Plan, please do not hesitate to contact us. Thank you.
